

Annual Ski Swap* at the Telemark Lodge

Sunday, October 29

This is an excellent opportunity to buy (or sell) new and used cross country skiing equipment, and this is the last chance to purchase your Telemark 2017/2018 season pass at the early season discount.

Outstanding bargains on new and demo equipment from Kelowna Cycle and Fresh Air Experience. Coaches from the Telemark Racers will be on hand to assist you with selecting equipment and answering questions about cross country skiing and the race team.

10:00 AM - Drop off your used gear for sale (skis, poles, boots, snowshoes, accessories)

11:00 AM - Telemark AGM (downstairs in the lodge)

12:00 PM - Sale Starts - Purchase gear

Several athletes from the ski team will also be in attendance. If your child has been thinking about joining the team this is a great opportunity to ask questions and learn more.

Bring your appetite - there will be a food concession.
