Notes:

The "Inner Trails" are Squirrel, Forest Lane, Memory Lane, Rabbit, the Sprint Course, and the Stadium

Tuesday and Thursday evening grooming - Inner Trails, Tell-The-Rabbits, Summer Road, and the K-9 Trail

K-9 Trail to be groomed on Tuesday evening, Thursday evening, and Saturday as a minimum. Grooming to be done with single track in a clockwise direction. It also needs to be groomed after a 2cm or more snow fall.

The above scheduled grooming is recommended, if trails other than listed trails are well used they should be groomed, if time permits; also if a trail has not been used and it does not need grooming, it should not be.

Quality of grooming should never be compromised for quantity; if grooming conditions are difficult, all the listed trails may not be groomed as quality of grooming will take precedence over quantity.
