LICENCES: All competitors skiing in **U14 to Masters** categories must have a current race licence. The following licences are acceptable:

- Nordiq Canada Licence
- FIS Licence
- Other National Ski Licence
- Nordiq Canada Supporting Day Member Licence

Competitors in **U12 and younger** categories do not need a licence to compete but must be members in good standing of a Nordiq Canada affiliated club.

Biathletes and athletes from other Nordic disciplines must have a valid Nordiq Canada Racing Licence or SMDL to compete.

The relay is not a nationally sanctioned event and no licence is required for any racer in any category.

SEEDING: The most current Canada Points List will be used for the draw for categories U14 through Senior whereby the leading points holder will have the first position of the start grid/chevron. If two or more age categories of the same gender are skiing a common distance (for example, U18 boys and U20 Men) they will be seeded together using the current Canada Points List. These categories will be combined for the start list but separated for results and awards.

For competitors in Masters categories and U12 and younger categories will be group together by their age/gender category and the start order will be determined by a random draw. If any of these categories has large numbers or entries (e.g., 55 U12 Girls) the race organizing committee and Technical Delegate may, at their discretion, separate the category into the 2 distinct year of birth categories and use a random draw to determine order of start.

REFUNDS: Refunds will only be issued for those competitors who withdraw from the event prior to the race entry deadline of midnight February 28th.
